Story:

Leader 1 is sat at a table with a chair

Leader 1 Hello little boy, welcome to Kids Klub. You haven't been before have you? I'll need to get some details from you. Is mummy or Daddy with you?

Trevelyan I came in a taxi with Mummy

Leader 1 OK that's nice, so is Mummy coming now? Did you run in quickly and she's catching you up?

Trevelyan No, I walked slowly because I was a bit shy

Leader 1 OK so is Mummy perhaps just outside?

Trevelyan She might be outside at the moment

Leader 1 Could you ask Mummy to come in, so I can get some details, because it's your first time?

Trevelyan It's too far for me to walk

Leader 1 But you said she was just outside?

Trevelyan No, I said she might be outside, I don't know, I can't see her

Leader 1 OK let's try a different approach, where is Mummy now?

Trevelyan I don't know, I can't do the maths

Leader 1 Why do you need maths, to know where Mummy is? Did she not say where she was going?

Trevelyan Yes, she did

Leader 1 And that was?

Trevelyan Asda

Leader 1 So, Mummy is at Asda.

Trevelyan I don't know I can't do the maths

Leader 1 Maths?

Trevelyan The taxi had to drive there and I don't know how far Asda is, and how fast he could drive, and how many traffic lights he got stopped at and I CAN'T DO THE MATHS!

Leader 1 OK, OK don't get upset. I expect by now Mummy is at Asda. Not to worry, we'll see Mummy when she picks you up.

Trevelyan She's not picking me up

Leader 1 Ah, but someone needs to pick you up it's safest. We do have a walking train, but a grown up needs to ask about that.

Trevelyan But I'm a big boy, I can walk, Mummy doesn't need to pick me up!

Leader 1 OK, don't get upset, we'll have to sort something out. Do you know where you live?

Trevelyan Yes

Leader 1 OK I phrased that badly. Can you tell me where you live?

Trevelyan Yes

Leader 1 OK let's try again, please tell me where you live

Trevelyan At the house with the green door, down there **points randomly**

Leader 1 Right - well, that could prove difficult let's hope Mummy understands she needs to pick you up.

Trevelyan I told you, Mummy can't pick me up, she'll already be carrying my baby sister, she can't carry us both!

Leader 1 Right, but she is coming to 'collect' you from Kids Klub? **Trevelyan nods**
Good, good, moving on, what are you called?

Trevelyan Trevelyan

Leader 1 Can you say that again?

Trevelyan **loudly** Trevelyan

Leader 1 Trevelyan - how creative. How do you spell that?

Trevelyan You spell it how you say it

Leader 1 OK **Show type out on screen writes Trevelyan**

Trevelyan No, that's wrong

Leader 1 But you said how you say it?

Trevelyan Yes

Leader 1 Show type out on screen writes Trevilian?

Trevelyan No

Leader 1 Show type out on screen writes Trevelion?

Trevelyan No

Leader 1 Can you write it down for me?

Trevelyan Show type out on screen writes Trayfelon - there, just like you say it!

Leader 1 OK, thank you, now you run along into Kid Klub and enjoy yourself.

Trevelyan turns around and begins to leave

Leader 2 Hello stares at badge Trayfelon.

Trevelyan Trevelyan

Leader 2 Sorry, sorry Trevelyan. Did I hear you say Mummy was coming?

Trevelyan I came in a taxi with Mummy

Leader 2 OK that's nice, so is Mummy coming now? Did you run in quickly and she's catching you up?

Trevelyan No, I walked slowly because I was a bit shy

Leader 2 OK so is Mummy perhaps just outside?

Trevelyan She might be outside at the moment

Leader 1 Insert Leader 2 name, I'd stop there

Leader 2 Oh, I was just going to say, that Mummy is welcome to wait in our café area and have a free brew and biscuit, while Trevelyan enjoys Kids Klub. You know so, she can meet other Mums and not have to walk home and back.

Leader 1 I know, and our café is a great thing, but by my maths, Mummy is half way around aisle 10 by now

Leader 2 looks confused; Trevelyan skips happily off to Kids Klub
