
The weakest link at Easter

Cast:

Anne (Robinson), Judas, Peter, Thomas

Props:

As far as possible 'Anne' should look like Anne Robinson and the scene should look like the weakest link quiz.

Story:

Anne Hello and welcome to this themed edition of the weakest link.
Today it's disciples, and as the world waits to see if He will be true to His word and rise again, can these followers of Jesus bear the burden of playing the weakest link?

Judas Judas we'll start with you; When you met together at the Passover meal which Jesus took with you before he was crucified, what was the selfless act he performed even though he knew ONE of his followers was going to betray him?

Judas He washed our feet

Anne That is correct. Peter, you next, what was the reply when asked by the servant girl at the temple if you knew Jesus?

Peter I don't know

Anne That is correct! Thomas, Jesus said, "In a little while, you will see me no more and then after a little while you will see me." Don't you think this means he is going to rise again?

Thomas I doubt it.

Anne Wrong! Judas back to you, what is the amount paid when someone's servant is killed by accident or murder?

Judas Ooh I can't think just off the top of my head.

Anne 30 pieces of silver! Peter, what was the reply when asked while you were warming yourself, if you knew Jesus?

Peter I don't know

Anne That is correct, now Thomas when Jesus took the bread and broke it, what did He say it represented

Thomas His body, which would have had holes in the hands and feet you know!

Anne We don't need elaboration but that is correct. Judas who were the people who plotted to kill Jesus?

Judas Well I believe it was the chief priests but I couldn't be absolutely sure about that.

Anne Hmm. Peter what was your reply when the cousin of the man who's ear you chopped off asked you if you knew Jesus?

Peter I don't know

Anne Correct! OK well after that round you've managed to bank three loaves and two fishes - that's not exactly going to feed 5000 is it?

All disciples Well actually Anne....

Anne No back chat! I think it will be back to the fishing for you Peter. So my friends, who is the fox in the vineyard? Who is the wolf in sheep's clothing? It's time to vote off the weakest link.

Peter Judas

Judas Jesus err, no sorry I mean Peter

Thomas Judas

Anne Judas why Peter?

Judas Well he's a cheat, he answered don't know three times!

Anne Peter why Judas?

Peter Well I have a feeling he should have known the answer about the 30 silver coins.

Anne Thomas why Judas?

Thomas Be sure your sins will find you out

Anne Hmm yes thank you Thomas, that's something I prefer to gloss over. Well Judas, I'm sorry because you were my favourite, but you are the weakest link. Goodbye! Tune in next time when we'll have the Pharisees and Sadducees special.
